

STAGLIN

FAMILY VINEYARD

Following our state guidelines, when an order is issued for a soft re-opening of tasting rooms in Napa County please be assured we will take every measure to ensure our guests' and teams' safety, while providing an excellent experience.

We are committed to keeping you safe.

- Prior to your arrival your host will sanitize and prepare your environment. The same preparation will occur after your departure.

We are committed to keeping our team safe.

- Our team will make every effort to maintain the suggested six feet distance from you and your party. Your host will complete a self-wellness screening every morning before guest arrival.

We are committed to complying with all state and county regulations.

- Your visit will be hosted in a dedicated and private space for you, weather permitting outside, by one of our gracious hosts who will be wearing a mask. Upon arrival, our state requests that visitors also wear a mask, which can be removed once seated for your tasting.

Should you have any special requests or questions leading up to your appointment we are here and available to accommodate.
